## THANK YOU!

To the Delaware businesses and communities who have supported The Trinidad & Tobago Cultural Association of Delaware (TTCAD) and its mission of providing university scholarships to Delaware students of Caribbean parentage.

Our joint efforts have resulted in the Government of Trinidad & Tobago, in recognition of that nation's 50<sup>th</sup> Independence Anniversary, honoring TTCAD with an award for its community services in Delaware.

TTCAD looks forward to your future support as we work together to make a better Delaware community by educating our youth.
